

## Parent and Student Commitment Agreement

I understand...

- That I, the parent, cannot offer solutions to the problems, that there is no outside assistance, and I cannot interfere with the solution the team has decided to perform.
  - **The team makes ALL decisions; parent input is not part of the process.**
  - This competition and problem-solving challenge is a team effort and not for individual glory.
  - There will be disagreements among the team members (forming-storming-norming-performing...happens every time). I understand that there may be tears, mood swings and melt downs during the process, but I trust the coach and school sponsors to be fair, balanced, and trained in team building strategies that will benefit the team as a whole.
  - There will be work sessions on weekends and weekly school-based meetings on campus that I, the team member, will need to attend regularly.
  - I cannot miss more than two school-based meetings.
  - There are costs involved and that coaches may ask for donations from families.
  - Parents can support the team by bringing snacks, carpooling and providing supplies.
  - I have to pick up my child promptly after all meetings and events.
  - I, the parent, will serve as a volunteer for the following:
    - **Competition volunteer (1 required per team)**
    - **Competition judge (1 required per team)**
    - Substitute coach
    - Car pool
    - Fall Festival- November 7<sup>th</sup>
    - Spontaneous Workshop volunteer- January
    - SMS Odyssey t-shirt design, purchase and distribution
    - Fundraising committee
